Science & Engineering,  
National Institute of  
Technology, Patna

# Acknowledgement

We express our deepest gratitude towards our project guide Asst. Prof. Kumar Abhishek (Computer Science and Engineering, NIT Patna) for his valuable suggestions, insightful criticisms and directions throughout the development of project. He has always encouraged us to get out of the shell and do something innovative despite our limitations.

We are also thankful to all the non-teaching staff of the Department of Computer Science and Engineering, NIT Patna for their support.

Finally, we thank our friends and family members for providing constant encouragement, support and valuable suggestions during the development of the project.
